Since the Commission's authority in such matters is limited by statute to finding only whether there is a need and demand for the service sought to be rendered, no finding or determination is made as to the validity of any of the provisions of the franchise offered by said cities or the manner in which any franchise fee is to be treated for rate purposes.

IT IS THEREFORE ORDERED That Kentucky Utilities Company be and it hereby is granted a certificate of convenience and necessity which authorizes it to bid on electric franchises in the territory of said cities.

IT IS FURTHER ORDERED That Kentucky Utilities Company, if it becomes the successful bidder, file with this Commission a copy of the said franchises.
